

TOWN OF ESTES PARK

November 13, 2019

Senator Cory Gardner
354 Russell Senate Office Building
Washington, D.C. 20510

Dear Senator Gardner:

As you are aware, Mr. Vance Brand and his family have donated to the Rocky Mountain Conservancy 40 acres of land adjacent to Rocky Mountain National Park. The donation is now offered to the federal government, free and clear, requiring only acceptance by Congress.

On behalf of the Estes Park Board of Trustees, we urge Congress to accept this donation, adding value to our treasured national park, and expanding access for Estes Park residents and visitors from across the country and the globe.

Thank you for your efforts to see this donation through. Please feel free to contact me if you have any questions.

Sincerely,

Todd A. Jirsa
Mayor
Town of Estes Park
